When compared to the weight of a large 4 pack Orange Tray

Introducing...

Earthpack Sustainable Packaging

-  The breathable mesh is made of paper & bamboo fibers, improving the quality of the final recycling.
-  Anti-Humidity to manage moisture.
-  Adhesive used is of bio certified origin.
-  Presence of window causes the product to transpire, promoting air circulation through the packaging.
-  CPI Certified – offering full circular economy

Sustainability Programme
GOLD MEMBER
